

Diversity, Equity and Inclusion 2023 Dashboard

Company Makeup: Gender

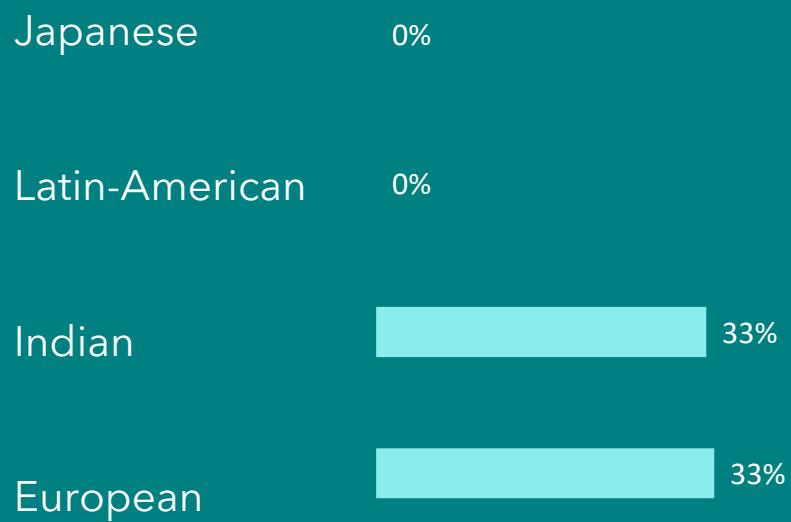

Company Makeup: Ethnicity

Turnover: Gender

Turnover: Ethnicity

New Hires: Gender

Training: DEI Training

100% of employees were offered the opportunity to take an online, self-paced DEI course. Out of those, 16% chose to take a voluntary knowledge-check survey. All of those who took the knowledge-check achieved top scores.

Salaries: Gender

<18% gender pay gap observed, with **women** frequently **earning more**, typically tied to experience and performance factors. It's notable that the industry is predominantly female.

Leadership: Gender

<57% of management and leadership positions are occupied by women, aligning with industry
